OUR VISION: LOVE, MEND, TRAIN, SEND

Our Vision and what it means for you...

“Love, Mend, Train, Send” includes the Great Commandment, Great Commission, and the Great Companion (Holy Spirit).

At NCC, we have a strong desire to be a community of believers that are radically devoted to Christ, committed to one another, and dedicated to reaching those outside God’s family with the Gospel of Christ.

We admit that we are imperfect people but, have a strong desire to see God take our imperfections and flaws and do great things through us!

NCC is a community of diverse people where

everyone’s welcome. While it’s true that nobody’s perfect, we know that in Christ, anything’s possible!

We take seriously our biblical mandate to walk in love, to take every opportunity to see the healing power of Jesus touch lives, teaching and training assist believers with their spiritual journey, and to see each person sent out to fulfill the Great Commission locally, and globally as the Lord enables.

2018 MISSION OUTREACH TO Honduras

Lantern of Hope is putting together a mission’s trip to Honduras in January of 2018. Team members will be given an opportunity to serve the people in the mountain region of Santa Cruz, which is a short drive from La Esperanza. If you would like more information or would like to join the team, please call the church office at 226-3246.

TAKING CARE OF THE TEMPLE OF THE HOLY SPIRIT...

This space in our weekly e-blast is being reserved for healthy tips, articles, snippets, and such, to encourage you the reader, to do all you can to take care of yourself. Having plenty of rest, proper nutrition, and exercise are imperative to being in the best health possible.

If you have articles, or website links you'd like to pass on, feel free to email them to Pastor Dave at david@nccthomasville.org.

God's Pharmacy is Amazing!

1. A slice of carrot looks like a human eye & it greatly enhances blood flow of the eyes.
2. A tomato has 4 chambers & is red just like the heart. A tomato is loaded w/Lycopine that is pure heart & blood food.
3. A walnut looks like the brain & helps develop more than 3 dozen neuro Transmitters to enhance the brain functions.
4. Sweet potatoes look like a pancreas and actually balance the glycemic index of diabetics.
5. Kidney shaped beans heal and maintain kidney function.
6. Grapes hang in a cluster that has the shape of a heart. It looks like blood cells & profound in blood vitalizing food.

Fall Prayer Workshop October 7th

I am very excited to tell you about our third Annual Prayer Workshop. Our theme this year is "The Making Of A Prayer Warrior".

Latasha has done an outstanding job working behind the scenes to ensure that everything is in order and done with a spirit of excellence.

People often ask what this workshop is all about? My answer is simple: we will teach, model, and impart responsiveness to Holy Spirit as it relates to prayer and intercession.

Each person will be treated with a schedule that includes anointed teachers and relevant topics

that will help each workshop participant to not only grow but get more comfortable with prayer.

We are all called to pray. You don't have to be an intercessor, and be known as a powerful prayer warrior to get started. It's important to be available and have a desire to talk to God and pray!

Come, learn, and allow yourself to be motivated and challenged to go farther and deeper in your walk with Jesus. It all begins at 9am to 1pm.

*Blessed be the LORD my Rock,
Who trains my hands for war,
And my fingers for battle
—Psalm 144:1*

From Sunday's Message:

The closer we get to Jesus, the more hope we'll have for life.
No matter who we are or where we've been, God doesn't give up on you.

The best way to build the Church is to build each other up.
It's Holy Spirit who connects us to each other and helps us become more like Jesus.
God loves us and wants more for us than we could imagine.
Our salvation is because of God's generosity through Jesus.

Pastor Dave's Corner

Pastors Dave and Alli have been serving at NCC since October 10th, 2010. It is their great honor and pleasure to be servant leaders as they follow the direction of Holy Spirit for not only the people of Thomasville, but the world at large.

There are two Jewish feast's that we like to celebrate at NCC. This past Spring, we celebrated Passover complete with a Seder dinner for 50 people. It was a lot of fun as we walked through scripture and relived Jewish tradition.

October is right around the corner, and now it's time to celebrate the feast of Tabernacles, or commonly referred to as Sukkot.

Sunday, October 8th, we will be dedicating our Sunday morning service time to this wonderful celebration. We'll begin at 10:30am in the AOC with praise and worship mixed with some Hebraic songs. The covered dish meal will take place under the sukkah's after the service has ended around noon.

This festival would not be complete without having a time of Jewish songs and dancing. Our very own NCC praise and worship team will provide the music.

Bring your favorite food, along with your friends and family and let's have a cultural time together! I believe this year's event can be the best ever. I am also believing that Yeshua's presence will be experienced throughout this special event.

We will need help setting up and tearing down. If you're available Friday or Saturday to help with setting up the sukkah's please let me know.

Happy birthday!!!

"A Woman Who Does Not Quit"

(5 Habits from the book of Ruth) 6 Week
study held in the Oasis.

Our scripture of the week...

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. -Ephesians 4:29

Life Groups -Wednesdays at 6:45pm

The End Of Me -Book Study authored by Kyle Idleman. Led by Todd Trebony

Are you sometimes perplexed with Jesus's teaching? Do you really want what He wants? Bestselling author Kyle Idleman reveals that the key to the abundant life Jesus promised lies in embracing His inside-out way of life.

As he examines Jesus's Sermon on the Mount, Kyle unpacks the many counter-intuitive truths, including: brokenness is the way to wholeness, mourning is the path to blessing, and emptiness is required in order to know true fullness. Ultimately you will discover how Jesus transforms you as you begin to live out these paradoxical principles. Because only when you come to the end of yourself can you begin to experience the full, blessed, and whole life Jesus offers.

- As the Life Group leader and teacher, Todd uses a variety of teaching methods including a weekly video presentation, work book review and lively discussion. This class meets on the right side on the education wing behind the sanctuary in front of the restroom. It's not too late to join in this exciting class!
- See for yourself why Kyle's book "The End OF Me" is a bestseller! If you have any questions about joining this life changing Life Group, see Todd for more information.

Dreams Workshop Led by Nancy Stacey

- Are you sometimes surprised by the dream that you had, and feeling like you're just not sure what to do with it? Have you ever wondered what the purpose of a dream is? Did you know that the Lord used dreams in scripture to get the attention of His leaders? Did you also know that He still uses dreams to speak to His body?
- This class is not only Led by Nancy, but is co-led by Catherine Brown and Jill Trebony. A variety of teaching methods are used including guest speakers, handouts, and video presentations. Just like Todd's life group, this one also uses interactive discussion.
- Nancy has a long-time passion for the prophetic ministry and as it connects with dreams. She is currently working on publishing her first book on dreams titled; *Living the Life of a Dreamer*.
- Come and see for yourself what all the excitement is about regarding dreams and how Holy Spirit uses our dreams in a variety of ways.

"In order to accurately interpret dreams and visions, you must be able to recognize whether a dream comes from God, from your own soul, or from the enemy." - Jane Hamon
