# WOMEN'S BIBLE STUDY

Women and young ladies of NCC come join us for an exciting study called, "Get out of That Pit" by Beth Moore on Monday evenings.

*"If I should say, "My foot has slipped," Your compassion and lovingkindness, O Lord will hold me up. When my anxious thoughts multiply within me, Your comforts delight in me." -Psalm 84:18-19 AMP*

This week we talked about "When you slip into a pit". Many times we put ourselves in this pit. But here's the catch: we didn't intend to. The fact is, we just weren't watching where we were going. We got distracted; taken in by the new sights. The path didn't seem bad; it just seemed new. We thought we were still okay, but the next thing we knew we were in a hole, and our feet were ankle deep in mud. It wasn't what you wanted. You certainly didn't mean for things to turn out the way they did. You didn't see it coming, but now you are in a hole. You'd give anything if someone else had thrown you in, because you hate being the one to blame. Satan's three-step progressive plan to get us to slip into a pit: **DISTRACTION→ADDICTION→DESTRUCTION!** It's called a stronghold!

Come next Monday night as we study this pit and how we get ourselves in this pit and how to overcome it. You don't want to miss this life changing study from God's Word. See for yourself what everyone's talking about!

2018 is the year 5778 and as we go through the gate and into our promised land we will overcome and slay giants that stand in our way. Check out the following excerpt from Prophet Johnny Enlow about the number 8 as it relates to this year...

"A set of prophetic numbers to pay attention to and be encouraged by is 888. 8 is the number of new beginnings and is already the last number in both our 2018 calendar as well as the Hebraic calendar of 5778. Seeing the triple 8 puts us at 24 (3 x 8= 24) and also establishes our year of new beginnings. Of course, seeing the number 24 or 224 in a strategic time or place is also something to pay attention to. Many times God will be speaking into your personal justice matters. As you see, God is speaking in a symphony of ways so that His new sound and song gets out."

*Sounds and songs* are keys to Kingdom strategy. At NCC, we have our own God given sound and songs. The Lord is speaking and we must hear what He has to say! We've taken the first part of this New Year to closely examine just a short list of common giants that we all face. As we navigate through 2018 we will continuously find opportunities to battle and overcome the enemy. Suffice it to say, that the key principles regarding slaying our giants, no matter what they are, is to remain **focused** on Jesus Christ through **prayer, bible reading, praise and worship, church participation, fellowship** with like-minded believers, **tithing, journaling, prophesying, and praying in the Spirit.**

"Sounds and songs" is a great way to describe how we should respond to spiritual attacks. We must say what God says to our giants and do what Jesus did as our example of victory. We must never let our guard down and think that the enemy is going to simply allow us to pass through the gate without opposition.

I hope you've marked your calendar for the upcoming **SURGE Conference**. Activating the prophetic and coupling it with worship is a powerful warfare duo. I look forward to seeing you at SURGE! This is our year of slaying giants!

## Quote of the Week:

*"If a person fears God, she has no reason to fear anything else."*

*-Beth Moore*

## From Sunday's Sermon

### "How do we slay the giant of offense?!"

- Give it to God-Pray
- Walk in Love-it's your decision
- Choose to forgive
- Give it to God-Pray
- Walk in Love
- Praise Him and thank Him for the strength He's giving you to forgive.
- Thank God for the ability to forgive
- Seek counseling
- Seek Inner Healing Ministry
- Go break some glass! *Pastor Dave's sister Penny*)

## Scripture of the Week

*"Little children (believers, dear ones), let us not love [merely in theory] with word or with tongue [giving lip service to compassion] but in action and in truth [in practice and in sincerity, because practical acts of love are more than words]."*

*1 John 3:18 AMP*

# 7 Mountain Prayer Ministry

## THE MOUNTAIN OF EDUCATION

*March 2018-Week 1*

**Prayer Point for this week:** For more God-fearing Educators who will take a bold stand for Jesus and let His light shine through them in our schools (**Matthew 5:14-16**).

Educators in our schools today are faced with a variety of challenges in the classroom that reach far beyond their daily “lesson plans”. Students across this nation come to school each and every day with various problems and issues of life that can make getting a good education seem impossible. “*But praise be to our God because there is nothing too hard for Him...and with Him all things are possible*” (Genesis 18:14; Matthew 19:26). That’s why it is important to have God-fearing educators strategically placed within our school systems who will let the light of Jesus shine through them in the midst of the darkness. For some students, their teacher is the only representation of righteousness (Jesus) that they will ever see. Even though being an educator may not be an easy task, it provides those who are in this profession with many opportunities to “influence” this area of our culture.

In addition to family and friends, teachers and their colleagues also have the ability to impact a child’s future for better or for worse. When we have more Jesus followers in our schools who are wisely exercising their God-given gifts and authority, it produces greater possibilities to shape future generations for the Kingdom of God! Please join the 7 Mountain Intercessors this week as we petition the Lord for more God-fearing educators to infiltrate our schools and classrooms.
