WEDNESDAY NIGHT LIFE GROUP

From the Inside Out – Brenda Crowe

Come join us this summer as we learn flag movements, significance of colors, and the use of billows. No special talent is needed for this teaching – just a desire to learn and grow spiritually for the Kingdom of God.

You may ask – **“Why the use of Flags in a Worship Service?”** Some of the reasons for using flags in worship is **To** change the atmosphere, **To** give Honor to our King, **To** declare our allegiance, **To** communicate, **To** signal the presence of God, **To** rally the troops, **To** declare territory, **To** direct warfare and praise, **To** put the enemy to flight, **To** boast of victory, **To** be a touchpoint of faith, and **To** herald an event.

This teaching is for all ages, male and female. If you can wave your arms, you can wave flags. Let's break **FREE** and have some Fun!

Quote of the Week

“If people don't see Christ in you, they won't want what you say you have.”

Pastor Dave's Pen

*I recently read the following article in the Elijah List by Lance Wallnau that really stirred my spirit. We've declared that this is our year of **Giant Slaying!** I hope this blesses you as it has me...*

Bill Gates dropped out of Harvard his 2nd year because he saw technology in the future, and he thought if he could see it, the idea was already accessible and anyone else could see it. He was 24 months ahead of other people picking it up, *but only by 24 months. If a secular guy can see the future, how much more a prophetic culture?* Jesus made this promise, "When the Spirit of truth comes, He will lead you into all truth, and He will SHOW you things to come" (see John 16:13 *my paraphrase*).

The ability to see the future is your unique advantage over your competitors in the marketplace. You have a built-in GPS system that gives you access to the next course of events in your life if you will but avail yourself of things to come (the gift of prophetic insight), which is not just prophesying when a tsunami is coming, or who the next president will be. That really isn't going to affect you unless you're in the path of a tidal wave.

The actual meaning of that verse in John 16:13 is, **"God is giving to YOU, for your assigned destiny, the ability to see into the future to navigate on a strategic course that gives you the advantage in every situation."** You don't have this future-sight in every area of your life, by the way; **you have it in your area of gifting/assignment.** Your greatest capacity for intuition is there.

The Problem Then

In David's day, the devil manifested in the harassing force of the Philistines. Saul had the position, but not the authority in the spirit realm to deal with the problem. David did.

We need to rethink how the Kingdom triumphs over evil in our day. David didn't do it as the king. *He did it as a servant to a leader who was having a problem getting the job done.* When God gave victory, He did it for His people's sake. We (the Davids) are the solution to the problems (Goliaths/Philistines) that secular people (Saul) do not have the spiritual authority to solve.

Therefore, we have to be mobile to go where Saul is located and let the authority of what we carry as

"anointed people" move in such a way that we bring victories to secular spheres, so that Philistine demons do not prevail over the culture and bottle up the people of God.

The Mobile Trifecta Solution

When the Lord talks about the world being restored and what it looks like, it's referred to as the Tabernacle of David. What does that imply? It had something unique, in that it integrated the presence of God, the strategies of Heaven, and the acquisition of territory – all together in one place in a mobile, moving unit.

The Tabernacle has to be an extension of who David is and what he represented: The Believer in secular spheres of influence. David didn't do this in the synagogue. He did it in the military, serving a political leader.

The Solution Now = Level 10 Believer – Mobile Tabernacles

A level 10 Believer is a David in our lifetime. **You can be a Philistine slayer.** David's gift mix was interesting. He wasn't just passionate about spirituality. He wasn't just hanging out in revivals. *He was also killing Philistines.* He overlapped his passions – passion for God's presence with his need to take territory. He went and got strategies in the tabernacle for how to take out Philistines. His life had an odd rhythm of worship, kill, worship, kill. So his worship, the presence, and his *pressing in* wasn't just to get more anointed so that God would go do something – it gave him access to agenda, strategy, and authority to administrate more territory.

Here's the mystery: If you can see it, you have access to it.

You can't see the Kingdom of God unless the Holy Spirit shows it to you. David was a seer. The Church needs to be filled with seers. It's people who SEE the future the way God really wants it to be manifested on earth, and then PULL it into their dispensation now. David's key was: The ability to unlock the future and bring it into the present.

The Mountain of Arts & Entertainment

June 2018-Week 2

Prayer Point for this Week: That the Lord would begin to strategically position His chosen Arts & Entertainment influencers to facilitate the Divine Shift within this area of our culture (**1 Peter 2:9**).

As believers, we are God's chosen and have the honor of being His representatives throughout the earth. God has a plan and it includes the reconstruction of the arts and entertainment industry. This facet of our culture pulls on the God-given ideas and abilities to be creative that lie deep within each of us. However, it is important that these gifts be used for the right reason (to bring glory to God) and in the right way (holiness). This can only be done by having the right people, in the right place, at the right time to bring about the right kind of change. It requires "Kingdom Influencers"...those who have been anointed by God and have the talent to reshape their sphere of influence by using godly

principles.

The world needs more Spirit-filled music and movie producers who will write songs and create movies that can **turn Hollywood into "Holy-wood"**. With God all things are possible! Our schools and local communities need more kingdom-minded art teachers, dance teachers, music teachers, coaches, etc. with the skill and boldness to instill godly values within the next generation so that they will know the true purpose of their creativity and use it to glorify the Creator. Let us be faithful to pray that God will continue to strategically align His chosen people within the Arts & Entertainment arena so that the Divine Shift can take place.
