Pastor Dave's Pen

This past Sunday, we had the honor of having with us two very special people from Israel. Rabbi Bob Ackerman asked me if I would be interested in having Rivkah Whitten and Bj Harris as our guests at NCC. Little did I know what fun they would bring with Jewish teaching, dance instruction, and original worship songs that Rivkah wrote.

I believe it is vital for the Body of Christ to keep alive the Jewishness of the Gospel by taking opportunities when provided to celebrate and give honor to His servants advancing the Kingdom in Israel and with the Jewish people. There's an ungodly ideology that exists in many American churches that The Church has replaced the nation of Israel and that we are Israel. This teaching is called replacement theology. At its core, it is full of deception. The truth is, Jesus was a Jew, born to a Jewish family and raised as a Jew in a carpenter's home.

While it's true that many Jews cried out for Jesus crucifixion while standing before Pilate, the fact remains that God still loves the Jewish people and Israel. The good news is that He loves us too!

We continue to support Christian Friends of Israel which was founded by Ray and Sharon Sanders, longtime friends of NCC. They retired a couple of years ago and have passed the baton on to more younger and able bodied leaders who are doing an amazing job advancing His Kingdom in Israel. We receive a monthly newsletter letting us know all of the praise reports that God is doing through their work as they reach many Jews for Christ by loving them right where they're at.

This Fall, on September 23rd, we will be celebrating our annual Feast of Tabernacles. Evangelist Barry Perez will be our guest speaker / teacher for this event. We will pull out all of the stops as we celebrate God living in us! This will be a fun and educational. I want to invite you to bring your friends and family to this one of a kind event. We'll have a covered dish, dancing to Jewish music and eat under the Sukkahs once again. I hope you have a super weekend coming up!

THE 7 MOUNTAINS

August 2018

Prayer Point for this month: As school begins, let's pray that the Lord would raise up more godly leaders, educators, faculty, and administration with the mountain of education 1 Timothy 2:1-4.

Persistence through prayer is key when it comes to seeing the manifestation of breakthrough in each of the 7 Mountains. Prayer and intercession are the driving forces that pave the way for God's will to be done in these areas of our culture. The divine shift will not come easy. There are evil rulers, principalities, and powers of darkness that have infiltrated and been assigned to each of these mountains. They will only be defeated by "Spirit-filled" believers who are strategically organized and deeply committed to executing God's plan in each of these areas.

The battle is already in motion and the victory will be won as a result of collaborative effort between Heaven and earth. Prayer is the link that connects the two! That's why persistent prayer warriors and chosen believers who have been appointed by God to influence each of these cultural facets are so important.

A lot can be learned from the persistent widow who petitioned the unjust judge in Luke 18:1-8. She demonstrated the principle of "ask and keep on asking".

In verses 7 and 8, Jesus says, "*and will not God bring justice for His chose ones, who cry out to him day and night? Will he keep putting them off? I tell you, He will see that they get justice and quickly. However, when the Son of Man comes, will He find faith in the earth?*"

Persistent prayer warriors (believers) do not back down or give up when faced with adversity. They push through and continue to petition Heaven until the answer comes.

God desires to grant his people swift justice in the 7 Mountains. However, it will require those who are committed and determined enough to pray (push) through all adversity until they break through and reclaim this territory for God's Kingdom.

Latasha not only leads our 7 Mountain Prayer Ministry, but also our Sunday morning Intercessory Prayer Ministry during Sunday School. She will be coordinating our Prayer Workshop this October. Watch for details to be announced.
