SCRIPTURE OF THE WEEK

He made known to us the mystery of His will according to His good pleasure, which He purposed in Christ, with regard to the fulfillment of the times [that is, the end of history, the climax of the ages] - to bring all things together in Christ, [both] things in the heavens and things in the earth.

Ephesians 1:9-10

Harvest Outreach

THE 7 MOUNTAINS

November 2018

Prayer Point: *Pray for God's will to manifest within the 7 Mountains of our culture.*

As we enter into this season of thanksgiving, let us remember to give thanks unto the Lord for the opportunity to faithfully serve and advance His kingdom in the 7 areas of our culture. Kingdom building and ministry in the earth realm takes faith and persistence. It does not come easy and requires the commitment and dedication of all believers to be "all in" for the cause of Christ. With that being said, every believer has a part to play in reshaping our society for Christ. One way that we all can do this is through prayer! In (1) Thessalonians 5:16-18, the Apostle Paul encourages believers to rejoice always, pray without ceasing (frequently), and give "thanks" in all circumstances; for this is the will of God in Christ Jesus concerning you.

Prayer transcends all boundaries...it carries the power to change situations and should be practiced by the Body of Christ to advance God's kingdom agenda in the 7 Mountains of our society. Our prayers for this ministry are an act of service and influence in these areas. You may never be an actor or director of a movie but, ***"your prayers"*** have the power to influence the Arts & Entertainment arena for Christ. You may never teach in a classroom within a public school but, ***"your prayers"*** will help open doors for Spirit-filled men and women of God who have chosen this career path to share the Gospel of Jesus Christ with students who are lost and in need of a Saviour. You may never be a politician but ***"your prayers"*** will help set God's chosen people in government positions. So, let us be faithful to pray for our nation, our culture and our society because our prayers are an expression of thanksgiving and they do make a difference!
