# 7 Mountain Prayer Ministry

## March: Arts & Entertainment

*Let's pray for* Thomasville that it would be a place where **the arts** are valued, and **the culture of heaven** is communicated with depth, integrity and love. Thomasville creates art that moves the world. **Sports** in our city are not only for entertainment, but a means of **building community** among our people and promoting personal growth for our players.

# Thank you!

Pastor Dave:

**Overcoming the storms of  
life:**

Alli and I wish to express our deepest gratitude and appreciation to everyone who made Sunday so special for us. Thank you for all of the cards, and gifts. We are honored to be your pastors and love each and everyone. NCC truly is a family of great Jesus followers.

Now that the month of March is here, Spring and storms usually follow. The following tools are designed to assist you with not just keeping your head above water but actually overcoming.

Just as Noah used everyday tools to build the ark, there are everyday spiritual tools that we can employ to successfully navigate adversity. Those tools, formulated as simple steps, will help you honor God in the midst of life's storms:

**Stand on God's promises.** Claim those promises aloud by faith at least once a day. It's not a coincidence that the ark was floating on water. Sometimes scripture is our only solid ground to stand on that keeps us from sinking. It can and will keep us afloat.

**Pray with out ceasing.** we can pray individually to God throughout the day; that's like an ongoing dialogue of sharing and listening to him.

The Bible demonstrates that God specifically instructed Noah in order to save him and his family. God will faithfully give us guidance too. Second, we can come together with one or more fellow believers to lift up pressing concerns together. It's amazing how the latter unleashes God's Spirit today. The Apostle Paul says in 1 Thessalonians 5:17-18 (MSG) *16-18 "Be cheerful no matter what; pray all the time; thank God no matter what happens. This is the way God wants you who belong to Christ Jesus to live."*

**Don't forget to give God praise!** Whether we've traveled safely through the storm or we're still in it, God delights in hearing our thanksgiving and praise. Paul, who had been beaten, shipwrecked, and imprisoned knew this principle well. That's why he encourages each of us to always pray with thanksgiving (Philippians 4:6). Doing so reminds us of the goodness of God and strengthens our faith.

Achievements begin and end with small steps forward. The massive ark was built one piece of chiseled wood at a time. Everyday that we are faithful in the small ways, we are opening the door for God to do something incredible that we cannot. We must take the concrete actions that only we can do to see our situation through. His grace empowers us to be strong and remain focused.

**Believe in miracles!** Sometimes we hope for a miracle and it doesn't happen soon enough. Sometimes we pray for a miracle and it comes right away. Take the limits off of God. Open the door for him to work. Exercise your faith muscles and step out and trust Him. Noah was willing to risk everything when he did. The rewards were endless for him and his family. God is a miracle working God who loves to answer our prayers and transform situations. During this stormy season, let's speak to the storms the way Jesus did when He was in the boat and let's praise Him for responding each time we pray. God is good and loves us!
