## Parking-Lot Church Safety Guidelines:

We remain committed to ensuring that each person attending our Parking-Lot Services remain healthy and safe. We ask you to adhere to our guidelines of engaging in no physical contact (hugging and handshakes) and safe social distancing. Please remain in your vehicle. You may honk your horn when giving a praise, and flash your lights when you have a prayer request. We appreciate your commitment to everyone's safety as we come together to worship. *In an attempt to beat the heat, we've changed our service time to 10:00am. Our services have been anointed, fun and safe!*

### 7 Mountain Prayer Ministry

#### April: Media

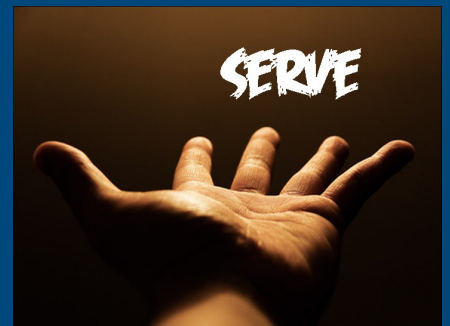

1. Pray that the media now influences our culture toward godly ethics and morality.
2. Pray that the media stop reporting in ways that contributes to hype, fear and panic.
3. Pray that journalists across Georgia and north Florida do their best to bring light where there is darkness and truth where there is falseness.
4. Pray that God strengthens and directs the will of all who write and shape the coverage of print, internet, television, and radio.
5. Pray that God removes anyone in media who chooses to report anything less than the truth.
6. Pray that Holy Spirit raises up those who are bold to confront evil and injustice, who reject half-truths that deceive and bias words that corrupt.
7. Pray for the promotion and blessing of those who will use the power of their words for good and who bring the respect and integrity of character that honors their profession.
8. Pray for wisdom, honesty and courage for those in media in who seek Your face.
9. Pray for the restoration of a righteous standard of journalism so that truth might prevail throughout our state and region.

## Our life may be on pause but God is not!

Never have we lived in a time or season where so many lives have literally been mandated by our government to be placed on hold or "pause" by self distancing, self-quarantining, or refraining from going to work.

As I put the challenge out this past Sunday, the question remains... what are you doing with the "pause" that you've been given? How are you drawing near to Holy Spirit during these times of social distancing? We have been given a gift of being able to redeem the *time*. No longer can we say that we don't have enough time to pray, read our Bible, engage in worship and praise, etc. I hope that you're enjoying all of the brand new live-streaming that Alli and I are doing throughout the week.

I've included a schedule below to help you remember when we're on social media.

These are exciting times and while these are also challenging times, let's keep our ears turned towards Heaven and write down what we hear the Lord saying. He is speaking and is giving directions for His Body to follow as we are being prepared for the next season that is coming after COVID-19 is no longer impacting our area and nation.

Be careful that you don't spend too much time listening to the wrong voices. Allow me to remind you that we are still in Lent, which is the season that the Church reflects on the incredible sacrifice that Jesus made on the cross. Resurrection

Sunday is on it's way! I'm confident that Easter will be unlike any we've ever seen. No doubt, we'll be in the parking lot worshipping the Lord together from a safe distance. As Christ-followers, we must always remember and have in our heart Jesus' command to "*love your neighbor as yourself*" (**Mark 12:31**) and "*to do unto others as you would have them do unto you*" (**Luke 6:31**).

Let's all pray that when we look back on this crisis, our fellow Americans will see this episode of our history as one that reflected the love of God as we refused to take a pause from spending quality time with God and serving others.

In case you missed it, Hebron Fellowship Church and Pastor Jeffrey Jones joined us last Sunday for our Parking Lot Church Service.

**A special thank you to the Copeland Family for doing all the Church Yard Work last week.**
