7 Mountain Prayer Ministry

April: Media

1. Pray that the media now influences our culture toward godly ethics and morality.
2. Pray that the media stop reporting in ways that contributes to hype, fear and panic.
3. Pray that journalists across Georgia and north Florida do their best to bring light where there is darkness and truth where there is falseness.
4. Pray that God strengthens and directs the will of all who write and shape the coverage of print, internet, television, and radio.
5. Pray that God removes anyone in media who chooses to report anything less than the truth.
6. Pray that Holy Spirit raises up those who are bold to confront evil and injustice, who reject half-truths that deceive and bias words that corrupt.
7. Pray for the promotion and blessing of those who will use the power of their words for good and who bring the respect and integrity of character that honors their profession.
8. Pray for wisdom, honesty and courage for those in media in who seek Your face.
9. Pray for the restoration of a righteous standard of journalism so that truth might prevail throughout our state and region.

What are you doing?

I believe that we are quickly approaching the time when the quarantine restrictions will be lifted and we will begin to develop a sense of what “normal” looks like after COVID-19. Here’s some things to consider...

What are you doing right now, that’s preparing you for the future? Are you engaged in the Kingdom of God? What I mean is, are you taking advantage of the Live-streaming devotionals, and church services weekly? Are you staying connected with your brothers and sisters in the Lord during this time? Even though we are sheltering in place, let’s remember to call and check on each other.

Prayer is one of the greatest things we can do. Please lift up the names of those listed on the cover page. They are going through serious situations and need our prayers. Pray for our entire NCC family. We are all in this together and while it’s true we will overcome, it’s comforting to know that we belong to a praying and

loving church. 2020 is our year to see what God see’s more clearly than ever before. This is a time to pay attention to what we see and be careful about what we say. If we will do these things, I’m confident we will experience a new level of revelation and wisdom as we walk through this season we’re in.

Better and brighter days are in front of us. This is why it matters how we’re stewarding our time during the ‘*shelter in place*’ order that will be over before we know it. Let’s be in a place of expectation while we pray. Let’s not only pray with expectation but let’s make faith declarations that are filled with

great expectations. I’m expecting to see the presence of the Lord amped up! I’m expecting God to use me more mightily in the prophetic, with healings, and teachings. Let’s begin to ask God the question, “Lord, what do you want me to do after this corona virus is over?” And, let’s follow up with “Lord Jesus, use me! Use me to do the impossible!” He is the God of the impossible. Throughout the Bible we see examples of God moving in supernatural ways as He delivered, battled, transformed, healed, etc. My

prayer for your faith is advancing you to a greater place in God’s service. Let’s steward and invest in this time we’ve been given for the Lord. Worship Him. Pray, declare and thank Him for His protection, goodness and love. What are you doing with your time?

Simple truths to repeat
when you're in a spiritual
battle:

- God's got this
- The Lord fights for me
- Jesus loves me
- Not today satan
- I am a child of God
- He is able
- It is finished
- His Grace is sufficient
- Joy comes in the morning
- I am not alone
- I am fearfully & wonderfully made
- Fear has no grip on me
- Christ is enough for me
- He has overcome the world
- I am a new creation in Christ
- Jesus conquered the grave
- Sin doesn't define me, Christ does
- Be still & know
- God is good

He shall cover you
with His feathers,

And under His wings
you shall take refuge;

His truth shall be
your shield and buckle
