7 Mountain Prayer Ministry

April: Media

1. Pray that the media now influences our culture toward godly ethics and morality.
2. Pray that the media stop reporting in ways that contributes to hype, fear and panic.
3. Pray that journalists across Georgia and north Florida do their best to bring light where there is darkness and truth where there is falseness.
4. Pray that God strengthens and directs the will of all who write and shape the coverage of print, internet, television, and radio.
5. Pray that God removes anyone in media who chooses to report anything less than the truth.
6. Pray that Holy Spirit raises up those who are bold to confront evil and injustice, who reject half-truths that deceive and bias words that corrupt.
7. Pray for the promotion and blessing of those who will use the power of their words for good and who bring the respect and integrity of character that honors their profession.
8. Pray for wisdom, honesty and courage for those in media in who seek Your face.
9. Pray for the restoration of a righteous standard of journalism so that truth might prevail throughout our state and region.

There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love.

“Open Up The Gates”

I believe that this is a time to declare “*Open up the gates*” to the natural environment around us. As Holy Spirit leads us, we want to be leading the charge against the works of the enemy and releasing the freedom that Jesus has provided us through His incredible sacrifice. The Lord has been saying to several that “it’s time to open the gates.” We desire to see the Kingdom of God manifest with His presence in power.

Cities, jobs, the economy, etc. are being opened in Georgia and many other states around the country. During this time of opening, may we see God’s glory fill the earth in tremendous display.

We’ve recognized that a spiritual reset has been taking place in recent weeks. We may have been quarantined to some degree, but certainly not from Holy

Spirit! Old things (wine skins) are passing away. Some of these include methodologies, and formats. There’s also been a mental shift which is directly connected to the Spirit of God resulting in a fresh identity in many in the Body of Christ. This is producing new books being written, new songs being produced, and with technological advancements, new ways of spreading the Gospel. At NCC, we have dramatically increased the ministry’s sphere of influence to places around the country and globe! We have a greater prayer presence. Present day truth is being shared with more people than ever before from NCC. We can all share in the testimonies and praise reports that are coming

in as a result of the increased prayers going up as watchman and watchwomen continue to intercede.

In short, God is responding to what we’re doing during this time of enemy attack. We are in wartime and have manned our Commander in Chief’s (Jesus) battle stations. We refuse to remain silent and continue to battle in the place of praise, worship, declaration, and holy shouts.

As Kingdom focused warriors, life as we knew it before COVID-19 is no longer our standard. Holy Spirit is establishing a new status quo that will be marvelous to walk in. God has great plans for all of us! Let’s embrace the new things He’s doing and look forward with excitement as new wineskins begin to break open allowing the new wine of His Spirit to flow in our lives and at NCC. Soon we will be back in the sanctuary worshipping together. Until then, let’s continue to meet in the parking lot and celebrate the new things He’s doing. These are exciting times we live in. It’s time to see Him open up the gates!

We’re declaring that it’s time
to “Open Up The Gates”
