

From The Desk of
Pastor Dave:

“The shifting and sifting”

Early this year, at the onset of the Covid-19 virus I believe the Lord spoke and said that there would be a “shifting and a sifting in the Body of Christ this year, especially during the time of the pandemic. If you’ve taken the time to look around, life the way we knew it before Covid and after is different. At NCC, we’ve remained prayerful and worshipful while making necessary adjustments along the way. We are reminded through prophetic words that have been released since January, that this year is the year of the mouth. With that, we must remember that 2020 is the beginning of a new decade (era) of the prophetic voice. You’ve heard me say several times that words do matter and just as the Bible records in Proverbs 18:21 (KJV) ²¹ ***“Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.”*** The Lord has been aligning and repositioning some things in the spirit realm that are beginning to take place in the natural. For years, Holy Spirit has told me that New Covenant Church is to be the epi-center for the next wave, outpouring, move of His presence in power, with miracles and healings. A shift is happening and I’m excited to see what God will do next.

We are at the threshold of something very great and powerful. I want to caution you, that when He does manifest His presence in splendor and power, it may not look exactly like what you expect. Caution! Resist the urge to place God in a box. Instead, embrace the freedom that comes when people are touched in unexplainable fashion. When I look at services where Holy Spirit moved powerfully, quite honestly, they looked disorderly, and messy. There were people unexplainably laughing, crying, and their bodies were responding to what their spirits were experiencing. The shifting and sifting that is taking place is for His glory! I implore you to be open to what God wants to do. I sense at the writing of this article, that He has His hand on NCC and desires to answer the cries of our hearts for His manifest presence. Join me in praying for what’s to come. Lives saved, transformed, healed, equipped and sent back into the world, as fully engaged members of the Army of the Lord right here in this region of the United States. God wants to use you! He is drawing us to Himself in the place of His presence to prepare us for what’s to come. Are you ready? What do you need to do to prepare? The reality is, we will need all hands on deck

when He begins to manifest His presence. We will need your help to handle the increase of people that will come to receive the new wine of His Spirit. Now is our time to prepare. Let’s be presence dwellers, remaining focused on Jesus, His Word, and ministry. Let’s give God praise as we continue to believe for miracles and the *increase* at New Covenant Church. We don’t have time to waste. Let’s shift while He continues to sift.
