From The Desk of Pastor Dave

Recently, we gave our NCC church family the opportunity to sow seed into a ministry that has boots on the ground along the Louisiana coast following the devastating effects of Hurricane Laura. I want to share with you a letter of appreciation that was just sent to us from New Beginnings Ministries. Under the direction of Dr. Henry Holland, our \$1,000.00 donation supported their relief efforts to the recent storm victims of Hurricane Laura in Lake Charles, Louisiana. Here's in part what the letter states ... *"Many families are dealing with loss of homes and possessions. Now trying to cope without electricity and resources, the community is experiencing hopelessness. Hope is being restored not only in providing for physical needs but through prayer as we help the people. Being reassured that God is with them through this whole process, brings hope that their lives will be restored. We have been able to send teams to bring hope to this hurting community with clearing out debris, giving away cleaning supplies, undergarments, and manning a food truck to feed those in need. In the last several weeks, over 3,100 tacos have been provided. Thank you for being people helping people."* I'm reminded of Jesus words to his disciples in **Matthew 25:35-40** (AMPC) ³⁵"For I was hungry and you gave Me food, I was thirsty and you gave Me something to drink, I was a stranger and you brought Me together with your selves and welcomed and entertained *and* lodged Me, ³⁶I was naked and you clothed Me, I was sick and you visited Me with help *and* ministering care, I was in prison and you came to see Me. ³⁷Then the just *and* upright will answer Him, Lord, when did we see You hungry and gave You food, or thirsty and gave You something to drink? ³⁸And when did we see You a stranger an welcomed *and* entertained You, or naked and clothed You? ³⁹And when did we see You sick or in prison and came to visit You? ⁴⁰And the King will reply to them, Truly I tell you, in so far as you did it for one of the least [in the estimation of men] of these My brethren, you did it for Me." This is what it's all about! I marvel at the goodness of God that even during a pandemic we have more than enough resources to be able to bless those in need. Right now, another hurricane has set it's sights on the Louisiana gulf coast. Oceanographers are predicting that Delta will be a category 4 storm when it makes landfall in or near New Orleans this weekend. Let's first pray and speak to the storm and command it to get disorganized and disintegrate. Let's also pray for those that are in the cone of uncertainty. Speak Shalom! Our prayers and actions do matter and are making a difference for the Kingdom of God. Thank you for your generosity.
