From The Desk Of Pastor Dave:

*"It's time for us to legislate!"*

Are you ready? Jesus is coming back for us soon. He will return and we should be motivated to work hard and give sacrificially for the work of God. In the parable of the ten minas in Luke 19 Jesus basically said that we are to remain occupied in working hard for His Kingdom until He returns. What does God want us to do until Jesus returns? We are to take time to witness to those who do not follow Christ, and lovingly warn them of the coming judgment and joyfully share God's love and plan of salvation. We are to equip and encourage our fellow believers so that they may also go forward

and further God's Kingdom. Your church attendance and participation has never been more important than right now. Life groups, Sunday School classes, prayer events and worship services bring us together in a spirit of unity and family. We need each other and we need to be equipped and ready to overcome the enemy until the return of Jesus. What will you do with the opportunities that God gives you this week? Will you embrace each of them and see them for what they are? Will you joyfully give back to God in tithes, offerings, service, and praise to Him? We cannot out-give God. Whatever rewards we receive in this life are incomparable to what we will receive in the glory of heaven. As we occupy, let's legislate as the ekklesia that we are. Remember, the ekklesia was the governing body of the Church in the New Testament. We are to be that same Holy Spirit filled group of Kingdom legislators.

Let's use our prayers, the Bible, our words and decree's as a tool for Holy Spirit to advance the Kingdom of God on behalf of our nation, communities, and people that God places in our lives. So many people need our prayers. Legislate on their behalf. America needs our prayers. Legislate and say what God says about our land. 2 Chronicles 7:14 reminds us that we must humble ourselves and pray. A Holy Spirit revival and awakening is coming to Thomasville and our region. Let's occupy and legislate.
