Thank you so much for supporting this ministry!!

In 2021 the most important thing for Christians to know is God's highest purpose for their lives. It is not being the most successful minister, the most prosperous person, having the most comfortable life with the fewest problems, a good reputation and all the man-pleasing things that many Christians think is God's highest purpose for their lives. God's highest calling and purpose for a Christian is their conformity to the image and likeness of His Son, the Man Christ Jesus.
