# From the Desk of Pastor Dave:

## *The best is yet to come!*

**2021 is your year!** If we want to start seeing the power of God manifest in our lives, we will have to start paying attention to what we say. Words have power—more than any of us realize, but we often speak them as though they are meaningless. Because of that, most believers at one time or another have been *hung by their tongue*. Jesus says in Matthew 12:36-37 (TPT) <sup>36</sup> You can be sure of this: when the day of judgment comes, everyone will be held accountable for every careless word he has spoken. <sup>37</sup> Your very words will be used as evidence against you, and your words will declare you either innocent or guilty.” Every time you say things that you don’t really mean, it begins to numb your heart. Unconsciously, each idle word is making it just a little bit harder to believe what you say will actually come to pass when you mean it and it really counts.

Jesus understood the power of words, and He used them to change the natural environment around him. We have the Bible as an excellent resource. Consider what the author of Proverbs says in Proverbs 18:21 - *Your words are so powerful that they will kill or give life, and the talkative person will reap the consequences.* It not only says life but death as well. It’s sad to say, but most of the words being communicated today are negative words—words that do not bring about abundant life but cause more problems and add to the crisis and chaos that we see in the world. Galatians 2:20 (TPT) says, <sup>20</sup> *“My old identity has been co-crucified with Messiah and no longer lives; for the nails of his cross crucified me with him. And now the essence of this new life is no longer mine, for the Anointed One lives his life through me—we live in union as one!*

*My new life is empowered by the faith of the Son of God who loves me so much that he gave himself for me, and dispenses his life into mine!*

During our 21 days of drawing near, the Lord has been speaking about how He desires to see His Church move to a new level of overcoming in 2021. A key factor to this is putting our faith in action with our words. This is a great way to partner with Heaven throughout this year. During the chaotic times in our nation the Lord is bringing peace (Shalom) to those of us who are drawing near to Him. The enemy wants to bring a shift and a “reset” on a global scale which is extremely demonic. The battle is for the nations to become goat nations. The Lord is using the Church throughout the world to rise up and push back against this satanic global initiative. The push back requires faith, humility, love and warfare to see God’s will manifest. The word RESET, means, "to move something back to an original place or position; to put back in the correct position; to set, adjust, or fix in a new or different way." God has been resetting His Church as well as resetting nations of the earth for His last days' purpose of global revival and awakening. This is why this season is full of struggle, chaos and turmoil. The good news is that God will have His way. I believe that the Church is beginning to go **through** a time of pressing. As the enemy squeezes the Body of Christ, Holy Spirit will provide everything we need to persevere and overcome. Let’s say what God says and decree throughout this year the victory and outpouring that is on the way as we keep our eyes fixed on Jesus Christ! The best is yet to come!
