From the Desk of Pastor Dave: *You are essential*

Authority is rising at a level in the ekklesia unlike anything that we've seen in my lifetime. The Church is waking up and intercessors are taking their place on behalf of their region and this great nation. There will be a turn around in America. We're going to see things turn for the good of the people of God. Because truth has been under attack, Holy Spirit is rising up within the people of God who are not ashamed of the Gospel and care about the truth of God's Word.

The ekklesia is not backing down. As the enemy has attempted to silence the Church, and press against it, the ekklesia is pushing back. There's a Bible verse that I like to quote and preach out of at Christmas. However, I believe that this verse shouldn't be reserved for only Christmas messages. The prophet Isaiah says ... **Isaiah 9:6-7**

⁶ *"For to us a Child shall be born, to us a Son shall be given; And the government shall be upon His shoulder, And His name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. ⁷ There shall be no end to the increase of His government and of peace, [He shall rule] on the throne of David and over his kingdom, To establish it and to uphold it with justice and righteousness From that time forward and forevermore. The zeal of the Lord of hosts will accomplish this."*

Turn arounds are coming. Visible changes are on the way. I believe that God cares about justice and righteousness. Corruption is being exposed from within our government at the highest levels. We must remember that We're part of a Kingdom.

The Kingdom has been in existence since the King has been in existence. It's not something coming, it's here and it's increasing. A Kingdom is the domain in which a King rules. How does this increase occur? It happens because the Kingdom is expanding in the hearts of His people. The Kingdom of God is the realm over which He rules. The Kingdom of God has a culture. That culture places a special emphasis on people. Remember that "God so loved the whole world..." The Church, the Body of Christ around America has been going through a shift and transition. It used to be, that churches measured success by how big their attendance was and how much money came in. The focus here at NCC is

extending Kingdom rule and principles in our sphere of influence. We must be outward focused and not only concerned about what's happening on the inside of these walls. We must also be about extending Kingdom rule in our community and region. Jesus said, "Seek ye first the Kingdom." -Seek first My rule. If we can get Jesus rule; the domain of King Jesus into our city and communities, things are going to change. Let's be change agents for King Jesus and extend His Kingdom!
