## From the Desk of Pastor Dave Making a declaration

PRAY  
FOR THE PEACE OF  
JERUSALEM

I recently read from my devotional and was so blessed that I want to pass on the blessing to you. I hope this blesses your spirit as much as it has mine. The following is taken from a devotional by Brenda Kunne- man titled “The Daily Decree”.

**The Decree:** *Mighty Warrior Arise! Today we decree that you rise up as a mighty warrior of the Spirit like Gideon. We speak a spirit of valor upon you right now! We declare you will not back down from the operations of the enemy that would work to intimidate, manipulate, or control you. We say that you are well equipped to wage war with the weapons of might that will pull down strongholds. We prophesy that you are rooted and grounded in love and that you shall never stumble or become offended by any fiery darts of the wicked. We declare that your faith will not fail. May you be surrounded with assurance and confidence that God is with you and He shall not allow you to fall or be defeated! We say it's so in Jesus' name!* Judges 6:12 says... <sup>12</sup> And the Angel of the Lord appeared to him, and said to him, “The Lord is with you, you mighty man of valor!”

Brenda Kunneman writes the following... If you recall the story of Gideon for a moment, he was in a time when he was seeing the dire-circumstances all around him and wondered why God let so many bad things happen. Yet the angel that appeared to him did not acknowledge Gideon's perspective. He simply told Gideon to rise up as a man of valor and take action. Gideon

still struggled to see himself with the ability to do anything, but ended up being the very person used to deliver Israel. Sometimes we see our abilities as limited and don't feel we can rise from the daunting challenges surround us, but God wants you to see yourself today as the warrior He has made you! Changes begin when we look inside, and despite the current circumstances we grit our teeth and declare, “Rise up mighty warrior!”

Isn't this a great encouraging word from Brenda? I invite you to walk this out today by making a declaration and begin to see our circumstances as the Holy Spirit does. Some- times we can feel helpless to do anything about what's going on the world around us. The truth is, we must push past our feelings and follow through with what we know we can do. And that's where making declarations is so vital for us to gain the victory.
