GOD IS FOR YOU!

Romans 8:1-31 TPT

You were born for such a time as this! God knew that this day and time would come and you would be right smack dab in the middle of it. While it's true that we live in difficult times we must remember that God's plan hasn't changed. In fact, God's plan for your life hasn't changed one bit! Did you know that the phrase "fear not" is found 365 times in the Bible? That's one time for each day of the entire year! Could it be that God knew that there would be times and even moments when we would need to be reminded that we don't need to live in fear? When the world around us is swirling out of control the Bible has a lot to say about how we can walk in peace, love and all of the fruit of Holy Spirit. It begins with our relationship with God. Our heavenly Father is so good. He has given us His Word and His Holy Spirit. It's His desire for us to live by the power that is found in both. I invite you to check out what Apostle Paul says in Romans 8. Verse 14 in the Passion Translation says...¹⁴ *The mature children of God are those who are moved by the impulses of the Holy Spirit.* Further along, he adds,¹⁶ *"For the Holy Spirit makes God's fatherhood real to us as he whispers into our innermost being, "You are God's beloved child!"* ¹⁸ "I am convinced that any suffering we endure is less than nothing compared to the magnitude of glory that is about

to be unveiled within us. ¹⁹ **The entire universe is standing on tiptoe**, yearning to see the unveiling of God's glorious sons and

daughters!" There's so many great nuggets for us to extract from these verses in Romans 8.

The question for us is, what should our response be during troubling times? The first is to **Wait it out in expectation** – the devil can aggravate you but he can't stop God! Are you at the place where you refuse to spend another day bound up in misery, fear and discouragement? We must get to the point of being sick and tired of being sick and tired. Next, remain **focused**. You can have as great of a relationship with God as you want. But, it will cost you something.... your time. Your relationship with Jesus will require you to invest yourself in order for you to overcome the attacks of the enemy. You may have a good relationship with the Lord. To have a great one will require your investment and time. The same is true with any other area of your life. We cannot expect to have great health and feel good, if we're not going to invest in taking care of ourself. Third, **pray it through** and have a conversation with God. In order for you to see it through, you're going to have to pray it through. Lastly, we need to remember that "**this too shall will pass.**" When trials come, take a deep breath and know that God is for you and with you. Worry does not solve your problems, but could actually increase them! Why not replace your worries with prayers? Give it to God. You can't hold onto it and give it to Him at the same time. Either it's His to bring the victory, or it's yours to lose sleep over.

There's no question that God is for you! I pray you have a blessed week while applying these principles.
