The Hebrew Calendar Year 5782

Sunday, I declared that this New Year of 5782 would be a year of “Awakening!” The Psalmist writes in **Psalm 145:18** Amplified Bible, *“The Lord is near to all who call upon Him, to all who call upon Him sincerely and in truth.”* This is the time that we must be drawing as near as possible to the Lord. He is desirous of us to fellowship with Him and hear from Him. While the world continues to swirl with chaos, shakings, and wickedness, we can be certain of this truth, that when we call upon the Lord He is faithful to be there with us. The enemy has an old bag of tricks that he tries to dress up and make them look like they’re new and foreign. Yet, he uses the same weapons that he did from the beginning of time with Adam and Eve. Deception, fear, shame, guilt, etc. These are not our portion. As yielded followers of Jesus Christ, our portion is the Truth. The Bible tells us that it’s the Truth that will set us free. And, He whom the Son sets free, is free indeed. Let’s not forget that “Where the Spirit of the Lord is there is freedom.” Freedom is at stake. This isn’t something new. It’s always been under fire by the enemy. We are free in Christ, but we are told not to misuse our freedom in Jesus as a passport to do whatever we want. Looking again at the significance of the year 5782, we see that each number has meaning... **5** is the letter Hei in Hebrew which can mean “here is, to be disturbed or behold. **7** is the letter Zayin and in Hebrew can mean, “crown, weapon or sustain.” **8** is the letter Chet and in Hebrew means “life”.

2 is the letter Bet and in Hebrew means “house”. When we put these meanings together we see something emerge. Here is (behold) the crown (weapon) of life, the house. So, now more than ever the house that is both a crown and a weapon in life is the HOUSE OF GOD!

Let me remind you that WE are the house of God, The Church. Jesus said that not even the gates of Hell would prevail against the Church. When we take the number 5782 and look it up in Strong's Concordance something even more exciting emerges. The Hebrew word in Strong's for 5782 is “Ur” and it means to “awaken!” The word Ur is used throughout the Old Testament and can be used to express phrases in English like; stir up, excite, raise up, arouse to action, or to open one’s eyes. It is used nearly seventy-five times and has been used to describe an “eagle stirring up [“ur”] her nest,” in Deuteronomy 32:11, and in Isaiah 50:4 (NKJV) the prophet said, “He awakens [“ur”] me morning by morning, he awakens my ear to hear.” It’s also used in the song of Deborah in Judges 5:12, “Awake, awake, Deborah! Awake, awake, sing a song!” When we put all of this together the word for 5782 is that - The House of God is about to Awaken! The people of God ARE the House of God, and a house for the nation looks like a Church that engages the Seven Mountains of influence by identifying, supporting, and resourcing its people to emerge onto the front lines of the cultural battle. Here we are, near the end of 2021 and the Church is finally awakening to the reality that it's not good enough to just go to a church on Sunday anymore. In the midst of shaking we are realizing something is seriously wrong when our inheritance is a Church that is largely devoid of power that often looks no different than the world around us. Let’s draw near to our power source, our provider, our healer, and deliverer. During this year while the Chaos increases, the house of God will experience a corresponding increase in glory, boldness, outpouring, presence and HARVEST. We must awaken to the biblical promises God has given us, even in the midst of great shaking.
