## From the Desk of Pastor Dave

Psalm 34:8 AMPC <sup>8</sup> *O taste and see that the Lord [our God] is good! Blessed (happy, fortunate, to be envied) is the man who trusts and takes refuge in Him.*

The battle between Kingdoms has never been more evident. In every area of life the kingdom of darkness is battling against the Kingdom of Light.

Sadly, many people have accepted the status quo. They believe that there is nothing that can be done about it. They may even verbalize, "what will be, will be". We have a choice. Our King – King Jesus has provided a system for our victory. His System is the correct choice to the alternative systems of the world. You may not know about this System. You may not have ever heard about this System. Know that it is for real and that it works. Our society is so polarized. If we're not careful we will allow the media to distract us. They would like nothing more than to be in your face with their position on any given social subject and bombard you with their realities, while truth and justice become obscured. We must be grounded in truth and justice. The Kingdom government of God is

the method and the plan for our success on this planet. Let me be clear. The Kingdom of God is at hand. It is our standard for truth and our agenda must be Jesus' agenda; advancing His Kingdom in love.

Because of who we are in Christ, we pose a threat to the kingdom of darkness. Persecution and trying times will increase against the Church, but Jesus promise remains ... "*the Church will prevail, and not even the gates of Hell shall prevail* (Matthew 16:18)"!

Jesus cautions us today. Consider His own words ... <sup>19</sup> *If you were of the world, the world would love its own. Yet because you are not of the world, but I chose you out of the world, therefore the world hates you* (John 15:19 NKJV). There must be no doubt. From cover to cover, the scriptures are about two Kingdoms, one King, Jesus, and one who wants to be king and the epic battle for humanity. We are Citizens of the Kingdom of God, the Kingdom of Light, and we must live and operate as citizens of His Kingdom. Have you lost sight of this fact?

No matter what's going on around us we can take heart that God is good. Just as the Psalmist says, in Psalm 34:8 ... when we trust in God and take refuge in Him, we will be happy, fortunate and others around us will see God blessing us and will envy the fact that we are happy and blessed. There is a godly jealousy that people have when they see the goodness of God at work in our lives despite trials and hardship. Hopefully they will be provoked to reach out to Jesus and make the decision to live in the Kingdom! I pray you have an amazing week while you overcome the work of the enemy through Jesus!

I KEEP MY EYES ALWAYS ON THE LORD.  
WITH HIM AT MY RIGHT HAND  
I WILL NOT BE
