From the Desk of Pastor Dave This is Holy Week and Passover!

One of my favorite books of the Bible is Psalms. Psalm 23 is a reminder that God prepares a table for you in the presence of your enemies. The place setting is exquisite. Extravagant dishes are spread out before you. You sit down at the place He has for you and notice the enemy is prowling. You have a choice.

There question is, where is your focus? You can focus on the Lord, trusting in His Word—that He will protect you with His rod and staff—or you can focus on the enemy, getting pulled into a mindset of doubt and unbelief while your emotions run rampant.

We know that the enemy prowls around like a lion seeking whom he may devour. We know he comes only to kill, steal, and destroy. He gets agitated, frustrated, and angry when you come to meet with the Lord, putting your feet beneath His table during the appointed times on His calendar. He knows great blessings are about to be released upon you.

Jesus said He came to give you abundant life. The key to this abundance is first to believe His Word. Then you must activate His Word.

KNOW the Lord has prepared a table for you in the midst of your enemies. Times are turbulent, but you have still been called to sit at the Father's table. This is where He will anoint your head with fresh oil. **SEE** the value of putting your feet under the Father's table. Take a moment to still your soul. Make it your discipline. Invest in yourself and in your family's spiritual lives. **FEEL** a part of a family. You have been called home. You have been called to the Father's heart. Feel the power of spiritual adoption. You are no longer a foreigner or stranger but a citizen with

People. I want you to **KNOW**, **SEE**, and **FEEL** what God has for you during Holy Week and in this Passover season... **BELIEVE!**

When I was a kid, growing up in the Episcopal church, holy week was always an important time for our family. Each night of the week, we would go to what was called "the stations of the cross". It was during this one hour church service that we remembered the tremendous sacrifice that Jesus went through from His arrest in the garden to when He breathed His last on the cross and was placed in the tomb. I want to encourage you to take time daily this week to reflect, pray, worship, and read through the Gospel account of the Passion of Christ. Speaking of which, this is a great week to watch Mel Gibson's movie, "The Passion of Christ". I pray you have a very blessed week as you know the Truth, see Jesus' great love for us at our Father's table and feel what Holy Spirit is doing in your life. Have a super blessed Holy Week, and Shalom!
