Mike & Judy's Reception

From the Desk of Pastor Dave

We remember

Sunday, we took the time to honor Mike and Judy Folsom. Preparations are well underway for their relocation to Nashville, TN. Most of their children and grandchildren reside in the Nashville area. Mike and Judy's tenure spans the course of three decades at New Covenant Church. During that time they have served in numerous ways. It has been an honor and a great privilege to know them and serve alongside them. They are an excellent example of what yielded followers of Jesus Christ look like. Fortunately, Mike and Judy will be coming back down to Thomasville to check on their remaining rental properties. So, Sunday wasn't good bye but, "see you later". I want to invite you to remember to take time daily to be reading your Bible, and spend time in your prayer closet. We are living in serious times that require us hearing the voice of the Lord.

We are facing spiritual battles in our cities, and nations, with raging conflicts between the Kingdom of God and the kingdom of darkness. The Bible clearly tells us that we are seated far above all principalities, powers, rulers, and dominions. The Word also says that we are more than conquerors through Christ! When we find ourselves not seeing the manifestation of that victory, we must understand that as members of the Ekklesia, we must be fully armored in God's armor. Being "armored up" is a key to unlocking the manifestation of Holy Spirit breakthrough in our lives.

The armor of God includes the Belt of Truth, the Breastplate of Righteousness, the Shoes of the Gospel of Peace, the Shield of Faith, and the Helmet of Salvation. In a corporate sense, we must be armored up as well. When we come together armored up to praise, worship, and receive the Word of the Lord on Sundays, I believe that we would see an increase of advancements against the gates of Hell. The powers of darkness will be pushed back if we move together as one - fully aligned and armored together with God's very own armor (see Ephesians 6:11-18).

This is powerful! What are you believing for in this season that you're in? Do you need breakthrough? Stand on the Word, decree what God says over your situation and thank the Lord for your breakthrough. Press in, and don't let up. Another thing to consider... we are stronger together, when we are rightly connected within the Body, and armored together! As we put on the whole armor of God, we are enabled and empowered to stand, individually and corporately, effectively and efficiently as we fight the good fight of faith against the forces of darkness that are raging in our cities, states, and nation.

With the Memorial Day holiday right around the corner, we're reminded to give honor to the men and women who have paid the ultimate sacrifice. Because of them, we have the freedoms and liberties we greatly enjoy in America. We have so much to be thankful for. Let's remember the reasons we're blessed. We live in the greatest nation in the world with so much. Let's give God praise for all that He's done and continues to do!
